To: Whom it may concern.

I would please like my trial date reset so I am better prepared for it.

Unfortunately I had to attorneys that I had hired that spoke to Instagram, after speaking to Instagram both of them eventually quit working for us after first wanting to become partners in my company after hearing the vision. As the visionary of the entire project it has been a journey trying to make my vision complete. The journey has been dealing with attorneys that quit after speaking to Instagram attorneys. I am going to handle this case myself or hire a new attorney. I would like time to better prepare myself if possible please. I would like to reserve a defensive attorney from the federal government to represent my case with me please as well. Are there any fees associated ?

May I please have a 90 day extension.

Thank you,

Gor Gevorkyan
